

Fun Casino!

Introduction

Enjoy the exciting gambling experience with the safety of fun money with a variety of gaming tables available.

Roulette and Black Jack are the favourite gaming tables for corporate events, but we can also supply Dice, Poker and Wheel of Fortune to cater for every taste.

Before the casino opens, all guests will be given an arguably sufficient amount of fun money which they can then exchange for chips at the tables.

When the casino closes, the guests can then either cash in the tokens to discover an individual winner – the person with the most cash, or alternative for more fun, we can arrange a team competition, whereby the team members pool their money together at the end of the gambling session.

We recommend a minimum of two tables for any event and then 1 table for every 20 or so guests.

Cost

£415.00 + vat for the first table then **£245.00 + vat per table thereafter**

Costs include professional croupiers, fun money and chips for up to 3 hours opening time closing at the latest midnight.

Optional Extras

- Professional DJ and Lightshow – from **£450.00 + vat** (until 1.00am)
