Chordiem's Corporate Fun Day Package

Introduction

Your fun day will be the best ever with our carefully selected activities, which are not only suggested to appeal to all tastes, they are activities that can involve a multiple amount of people at any one time, thus less waiting around and more fun for all!

We can structure your day as much as you want us to, or leave the activities to be used on an informal basis by your guests.

A suggested starting package is shown below. You can also simply select additional activities through the pick and mix list below if required or for larger groups.
